in association with SGL

Good afternoon and welcome to our opponents Exeter City F C.
A big thankyou to all loyal supporters that got behind the lads for our last home fixture. And I was very pleased with the ovation you gave the lads after the game even though we did not win.
That defeat against Scunthorpe was very disappointing but the attitude and commitment the lads showed was tremendous and everyone I spoke to after the game said they thought that the team showed great football to produce so many chances on goal.
I am obviously not pleased with our recent run of results that has found us way behind the league in the division. But I am convinced the players will turn this around. We have three quarters of the season to go and a lot of points to play for. We are going to be good enough and we will be when it really matters by the end of the season.
You will never see the players lay down and give up they all have a faith and belief in their own ability coupled with the fact that they look fitter and stronger than ever.
Please continue your loyal support and if we have an indifferent performance voice your anger against me, for it will be my fault nobody else's if results do not go right.
The biggest disappointment in recent weeks has been the injuries to Ryan Kidd, Jamie Squires, Gregg Challender, Gareth Ainsworth and the suspension of Stuart Hicks and Paul Raynor.
Jamie will have played one reserve game by now Ryan should be back in 1 week Gregg in 3 weeks and Gareth in 2 weeks. Stuart has a 3 match ban but Paul has finished his suspention and will be performing

INSIDE DEEPDALE

In this edition of Inside Deepdale we will be taking a look at the Preston based company, FOOTY who supply the fantastic new kit. The man behind FOOTY is 35 year old Steve White. Steve who hails from Leyland is a lifelong North End supporter who tells us his first visit to North End was on 16th April 1968 when we played a second division fixture against Derby County in front of a crowd of over 17,000 but were held to a 1-1 draw. However, Steve was hooked and since then has taken in the majority of home matches and can also be seen at a fair selection of away games. On matchdays at Deepdale he can be found of in the Guild Club section of the Pavilion stand and like the majority of us allows his mood over the weekend to be influenced too much by the result. After a run of bad weekends he is like the rest of us hoping for a brighter time following todays match.

Steve's profession is that of a graphic designer and between 1988 and 1993 he was a director of 'The Chase' graphic design consultancy based in Manchester. The Chase, which is run by another ardent North End fans as they designed and published the recent book entitled, 'North End - a pictorial history of Preston North End' by Ian Rigby. The connection and friendship between The chase and PNE continued when it was revealed that Ben Casey was the man behind the ambitious plans and Ben's involvement were so influential in the Baxi partnership becoming the club's new owners. Steve left 'The Chase' in May 1993 to concentrate solely on the development of design led products for football clubs and their supporters and immediately started to supply merchandise to Preston North End FC. However, Steve and Ben are still good friends and can often be seen together at North End matches.

At the commencement of the 1993/4 season fans will recall a huge improvement in the choice of stock available in the club shop. The garments supplied by FOOTY, although not bearing the name, were easily identifiable by the twin flag logo that gave North End's stock a distinctive brand identity of it's own. In addition came a range of T shirts including the PNE Heroes selection and the now much sought after Town Ender version. When North End decided to look for another kit supplier to succeed Matchwinner at the end of the 1993/4 season FOOTY won the contract after very keen competition from numerous other kit companies. Steve pays particular tribute to North End managing director Derek Shaw for having faith in FOOTY ahead of what were, at the time, more well established suppliers. First came the urgent job of supplying the first team with a kit to play in at Wembley in the 1993/4 play off final as the normal kit had been depleted during the celebrations following the Torquay match. Steve had the designed many home and away kits for the club to consider a part of his attempt to land the contract. He was pleased however that the club chose his own favourite idea for the away strip out of around twenty designs and thus, our current away strip was born. Steve had tried to give the kit design a sharper image through the use of a stronger yellow, whilst retaining the traditional navy blue. To allow at least some fans to wear replica Wembley shirts, FOOTY produced, within one week, 800 Wembley shirts all bearing the special commemorative badge. Steve admits to feeling extremely proud when he saw his team walk out at Wembley wearing the kit he had designed.

After Wembley came the job of selecting a design for the home kit. FOOTY had many designs for the club to choose from. The club asked John Wilman from Coloroll to cast his expert eyes over the proposals and the current design evolved from one which had initially been drawn up with plain sleeves. Like the away strip the sponsors name appears on the shirt vertically, an idea which, although sometimes seen on the continent, is unique in England.

FOOTY have suffered from numerous thefts during the manufacture of kit and this led to some delay in deliveries. Steve appreciates the frustration such delays can cause but point out that he has always endeavoured to satisfy orders as quickly as possible. However, the demand for replica shirts has rocketed. Last season North End supplied fans with a total of 3251 replica shirts - 2024 Home shirts and 1227 Away shirts. It is perhaps a testament to the strength of the new designs that by the beginning of October 1994, 5228 current season replica shirts had been supplied to fans - 2599 Home and 2629 Away - and these figure do not take account of the Wembley kit or goalkeepers jerseys. Being a keen North Ender Steve is keen to continue his support for the club and consequently FOOTY are one of the sponsors of The Junior Football Federation and will also be sponsoring the home match against Barnet on 17th December 1994

A big part of the FOOTY contract involves supplying kit and training kit for the first, reserve and youth teams as well as for the management and coaching staff. This involves producing four full sets of kit in both long sleeves and short sleeves in home colours and away colours. Furthermore, FOOTY have designed six goalkeepers jerseys to meet the demands of our two custodians. Did you know that Barry Richardson likes to look LOUD. (What do you mean you haven't noticed?). Barry has three jazzy shirts one red (loud pattern), one green (loud pattern) and one multi-coloured (extra loud pattern). John Vaughan prefers the traditional plain goalkeepers shirt in green, yellow and red.

In the coming months FOOTY hope to develop further new products in conjunction with PNE. Under consideration are club calenders, collectable printed products and PNE fan files. Such FOOTY products already grace the club shops at places like Newcastle United, Aston Villa and Wolverhampton Wanderers. I for one can't wait to see them in our shop on Lowthorpe Road.

APOLOGY

On behalf of the club, myself and Mercer Print I would like to offer our apology with regard to the programme published for the Scunthorpe fixture we are aware that there were a number of printing errors and ommisions on the final publications which we intend to eradicate these errors but feel strongly that we must briefly explain the problems we encountered compiling issue number 6.
The clubs previous printer, Colourplan, gave us no warning that they could not continue our working relationship which was previously agreed to continue for the season.
Mercer Print were invited to produce the clubs programme only after a set criteria was met.
Unfortunately, computer discs promised from the previous printers were not forthcoming which meant a far greater amount of work for Mercer Print. This resulted in the staff of Mercer Print, compiling the programme until 3.00 o'clock in the morning on the day of the match.
Therefore the "time factor" involved left too little time in which we could achieve our now high standard of publication.
As editor I am always available for constructive criticism but in this case I felt obliged to explain the circumstances/restraint that those concerned were put under.

Best wishes

George Hodkinson.

MEET THE MANAGEMENT

TERRY COOPER...Terry is now in his second spell as manager at St James Park. The 50 year old first took charge in 1989 guiding the club to the Forth Division Championship in 1990. After several seasons managing Birmingham City, Terry came back to Exeter in January 1994 replacing Alan Ball who left to manage Southampton. Unfortunately, there was insufficient time to prevent the Grecians being relegated to the Third Division. In his playing days Terry won England international honours (20 caps) and appeared for a host of clubs including Leeds United, Middleborough and Doncaster Rovers making a total of 499 appearances. He has also previously played for and managed both Bristol City and Bristol Rovers.

BETWEEN THE STICKS

ANDY WOODMAN... Young keeper who got his first taste of League at the beginning of the season following his move from Crystal Palace last May.

LEADING FROM THE BACK

DAVID COOPER...21 year old David arrived at Exeter on a free transfer from Luton Town in the summer of 1992 having been on the Hatters' books since the age of 14. Born in Welyn Garden City, the youngster made his debut versus West Brom in August 1992 but unfortunately was out of the game for twelve months due to a broken leg. Striving to regain a first team place.

MARK CAME.....Centre-half who was signed in the summer from Chester City on a free transfer. Reported to

be a target for Preston a few seasons ago. Described as a good all rounder.

JON BROWN.....Barnsley born Jon was snapped up from non-league Denaby United for a bargain £2,000 in the summer of 1990. Previous experience had been with South Yorkshire schools side as well as reserve team outings for both Sheffield Wednesday and Sheffield United. He made his League debut versus Preston in September 1990. Last season Jon suffered a series of injuries but ha been a regular member of the squad during this campaign.

MEN IN THE MIDDLE

RUSSELL COUHLIN.... Another experienced midfielder who has been regular in the first team line-up this term. Russell has amassed over 500 senior appearances since making his debut for Blackburn Rovers back in the 1978-79 season. He had moved to Ewood Park in a £40,000 deal from Manchester City, where he has an apprentice. Eighteen months later Carlisle paid £20,000 for his service and it was here that he made his mark in League football, with well over 100 appearances. He then moved South to join Plymouth Argyle (128 League appearances) before returning North to join Blackpool for £75,000. He made 100 appearances whilst at Bloomfield Road before being transferred to Swansea City (via a loan spell at Shrewsbury) and then Exeter in July 1993, as part of a player exchange deal which took John Hodge in the opposite direction.

ANTHONY THIRLBY.... Berlin born youngster who signed a contract for Exeter

during the close season after completing a youth training scheme with the club. Anthony, a Northern Ireland Under 16 Internationl, made his League debut last season versus Cardiff City in August 1993 and became a regular in the team at the end of the season. Anthony is Exeter's only ever present this season.

COLIN ANDERSON...Highly experienced midfielder who signed for Exeter in July from Hereford on a free transfer. The 32 year old served his apprenticeship at Turf Moor with Burnley before a move to Torquay United in September 1982. It was at Plainmoor and later the Hawthorns, following a £20,000 move to West Brom, that he gained most of his League experience - playing about 250 games for two clubs before a move to Walsall in 1991. Despite being a regular in the first team he left after just one season to join Hereford where he spent two seasons.

IN ATTACK MIKE CECERE...Former Oldham Athletic apprentice who moved to Huddersfield Town for a fee of £10,000 during the 1988-89 season. After 50 full League appearances for Town he made the move to Walsall, in 1990. The 26 year old scored 32 League goals in 92 full appearance for the Saddlers. Exeter snapped up the Chester born front-runner for £20,000 in January 1994 but unfortunately Mike sustained a groin injury after just 2 matches and was forced to sit out the rest of the season. This season saw Mike score Exeter's second goal in the second game of the season in a 2-2 draw with Swansea.

Robbie Turner
Now playing for his tenth club

MARTIN PHILIPS...Earning rave reviews at present from a host of Premiership clubs including Aston Villa where he spent a week on trial in July. Born in Exeter, the youngster has come through the youth ranks at St James Park. He made his league debut in the 1992-93 season in a hard fought derby game against Plymouth. At the tender age of 16 he came on as substitute and with his great skill and flair helped the team pull the game back to 1-1. Naturally left-footed, Martin can cross the ball from either wing and it is reported that Alan Ball, who brought him through the youth team, believes that the youngster has the ability to become the country's first £10 million player.

MARK GAVIN...Mark signed for Exeter, his tenth club, in February 1994 for £10,000 from Bristol City. The much travelled winger includes Leeds United, Hartlepool and Watford as his previous clubs but has made the majority of his League appearances during hi two spells at Bristol City - 110 in total. Born in Bailleston, Mark will be celebrating his 31st birthday on the 10th December.

DAVID MOYES

AUTOGRAPH

David Moyes IN FOCUS

Age: 31

Born: Glasgow, 25.4.63

Height: 6ft 1in

Weight: 12st. 10lb

Previous clubs: Celtic, Cambridge (£20,000), Bristol City (£30,000), Shrewsbury (£35,000), Dunfermiline (£45,000), Hamilton Academicals (£10,000), P.N.E. (£30,000)

Do you have a nickname at the club? "Moyesy" is the usual one.

How did you first get into the professional game? I played for Celtic Boys Club as a youngster and from there I went on to sign schoolboy forms for Celtic when I was 15.

Was there ever a time when you didn't think you'd make it as a professional? No, not really - football was the only thing I ever really wanted to do. However, I think that once a player makes it, he has to struggle to be a professional all the time, in terms of improving his game and being disciplined and so on.

Have you any matchday superstitions? I try not to, as I don't consider myself superstitious. I suppose I do things in a similar routine every week, but I wouldn't call them superstitions as such.

What do you consider to be your main strengths within the game? I'm still trying to find one!

What aspects of your game would you like to improve upon? Everything! I believe that nobody is ever too old to learn and improve. There is always plenty of room for improvement.

From your time at Celtic, what do you remember of your experiences of "Old Firm" games against Rangers? I played 4 times against Rangers while I was at Celtic. In my first "derby" I scored with my first touch, which is something I'll always remember. The atmosphere was always incredible and the crowd was very intimidating to play in front of. Back then Park Head probably still held around 67,000.

How did these games compare to Preston/Blackpool "derbys"? I only played in the one game, which was the Marsden Cup game, just before this season began. Because it was a friendly, it is difficult to compare the two but I could certainly sense the rivalry between us, nevertheless.

How come so many Scots sign for Preston? I think one of the main reasons is that Preston North End is regarded as a big, traditional club in Scotland. Also the location of Preston means that there aren't too many English League clubs closer to Scotland. It certainly helps me feel at home, having so many Scots here.

So would the lads rather eat haggis before games instead of pasta? I don't know about that, but I certainly like it. If any of the lads want some, they can come round to my house if they like!

Who is your regular room mate and what annoying habits does he have? I usually room with Mike Conroy, who just tends to sleep as much as possible, like me. Since Mike has been injured, I've roomed with Neil Whalley. He never pays for anything.

You spent quite a while at Dunfermiline. What can you tell us about our recent signing Raymond Sharpe, from what you saw at him there? As you probably know he has represented Scotland at under - 21 level. I'm not too keen on his hairstyle, it makes him look older than he is! I think he will be a good long term acquisition for the club.

What has been the highlight of your career so far? Winning against Torquay in the play-offs last season. I scored, which was great, but it was the "Roy of the Rovers" way in which we won that sticks in my memory most, as well as the celebrations which went on for a week after.

.....and the worst moment? I've had quite a few disappointments, but losing at Wembley caps them all, because I was so looking forward to being the captain of a winning side at Wembley.

Which players in your position do you admire most and why? Tony Adams at the moment because he has come through a lot and the way he plays now, you'd be hard presses to find a better centre half in the country. Also, Richard Gough springs to mind. He is such a good professional.

What did you think of the plastic pitch? When I come here, I was very sceptical at first, but once I was used to it, I didn't mind it. I think it helped us at home last season. I also thought it was an excellent facility for the community.

Where does your future lie at the end of your professional career? I'd like to be a coach or a manager. I am a qualified coach in both Scotland and England and all my forward thinking is geared towards coaching. However, I don't want to do that for a few years yet, I'm enjoying playing too much at present.

Who have been your most difficult opponents to date? I'd say Mark Hateley and Hons Gilhaus, the Dutch international who plays for Vitesse Arnhem - I played against him when he was at Aberdeen. They are both good all round players.

Do you ever feel any extra pressure on you to perform well, being the team captain? Not really but I try to help other players around me as best I can. I also try to show good examples to younger players both on and off the field, but I see that as more of an honour, rather than pressure.

How would you like the fans to remember you at the end of your Deepdale career? I wouldn't like my career at Deepdale to end. I'm very happy here.

Do you like watching yourself on TV? No, I hate it. I don't think I can reach the standard I'd like to perform to, so I don't like seeing myself on the box at all.

Do you think there's any real difference between English and Scottish league football? Scottish football is fast and furious compared to English football, but it's not as fast as we play it at Deepdale!

How do you spend your spare time? I play golf - Ian Bryson has been taking lessons since he played me! I enjoy watching football and see as many games as I can.

Finally David, is there anything you'd like to say to the fans?
Preston North End is going to be a big club again with the help of the new backers and we need your continued support to reach these heights.

KNOW YOUR WAY AROUND THIRD DIVISION

With Mike

News on Three

What a depressing time it has been for North End recently! They have had the worse run of results in the division and now stand just three points off second bottom. It is doubly disappointing when all the early season optimism evaporates. What makes it worse is to see Bury top of the table, a side we played off the park not that long ago. Still all is not lost and if we lose no more than three games for the rest of the season we can still win the division! That is my way of trying to cheer you all up!

Meanwhile, Northampton's move to their new ground is setting a challenge to our league table of attendances with nearly 14,000 watching their first two games at the brand new Sixfield Stadium. Grayson's first half goal beat Bury in the 3-2 home win over Gillingham meant that he has now drawn level with Barnet's Freedman on 12 goals at the top of the division's goalscorers. Since this column was last written several sides have scored four goals in a match. Fulham against Exeter, Wigan against Rochdale, Carlisle against Barnet and Torquay against Rochdale.

Carlisle and Doncaster are the only two clubs who are still unbeaten at home in the league and are mounting a strong challenge to Bury. Doncaster achieved a great escape from trouble at Scarborough when Roche scored twice in the last three minutes to salvage a point. Gary Swann had scored the home sides second goal. Wigan meanwhile are in all sorts of trouble as they fell four points adrift at the bottom of the table following last weekends defeat at Northampton. It is amazing to notice how many late goals are scored in the last four minutes and that seems to be about the average. Are the players unfit one wonders? Fulham must be annoyed at seeing Mark Stallard playing for Derby last Sunday especially as against Exeter, whilst on loan at Craven Cottage, he scored a hat-trick for them. Today's visitors here though will wonder why he hadn't gone back to the Midlands earlier.

All records are upto and including 22nd of October:

	Top five attendances:		Best wins:
1	8,837	PNE v Lincoln	Barnet 6 Rochdale 2
2	8,484	PNE v Darlington	Walsall 5 Fulham 1
3	7,852	PNE v Walsall	Exeter 0 Bury 4
4	7,461	Northampton v Barnet	PNE 4 Licoln 0
5	6,379	Northampton v Wigan	Fulham 4 Exeter 0
			Wigan 4 Rochdale 0
Worst	1,200	Scarborough v Rochdale	Carlisle 4 Barnet 0

Hat-tricks: Carter (Bury), Hancox (Torquay) CCCup, Freedman (Barnet, who actually hit four goals against Rochdale) and Lightbourne (Walsall), Lightbourne (Walsall) and Stallard (Fulham).

Leading scorers: 12 - Carter (Bury), Freedman (Barnet), 11 - Reeves (Carlisle), 9 - White (Hereford), and 8 - Lightbourne (Walsall).

In trying to find something for this column that you don't already know I have been buying several different newspapers for information. But all this has led to is the realisation that our division is rarely given much space. In the southern editions especially they don't even give reports on the London club matches. No matter, I will keep my eyes and ears open. For instance Darlington's former North Ender Paul Cross went off with a bad injury in the 16th minute of their game with Hereford and sadly for him it looks as though he will be out for the rest of the season. Other ex-North Enders in the news were Tony Ellis, with another goal at Bloomfield Road.Ronnie Jepson, with a first minute effort at Crewe for Huddersfield, Ian Stevens with a goal for Shrewsbury, and Julian James bagging one for Luton at Sheffield United against Alan Kelly. And Nigel Jemson came on as sub for Notts County sporting the biggest shiner you've ever seen! Is he married?Perhaps it was the wife! And finally, talk will now be of the FA Cup draw. With Tony Ellis and his new club coming there might just be a few people at Deepdale that day. What a terrific tie it should be.

FANSCENE

I.S.A.

Writing this on a mini-bus half way home from Colchester is to say the least hard work. Everyone is very down and seldom have North End been followed by such silent and frustrated supporters. The ISA committee will have met again by the time you read this article and serious questions will have to be answered. Basically where do we go from here?

It's fair to say PNEISA is about more than just being pro or anti the manager, it's about supporters rights and having a supporters voice. We've come a long way and as one supporter reminds me the ISA will be needed perhaps more than ever in the years to come as Deepdale is redeveloped. Pricing, allocation of visitors areas, general facilities, and having a positive voice a united voice in decisions affecting the supporters.

Do we the supporters of Preston North End want or even deserve an Independent Supporters Association?
At the risk of winding everyone up I'll end up by saying;

Keep the Faith,
Up the Whites,
We will Succeed

THEY PLAYED FOR BOTH CLUBS

RONNIE JEPSON

Signed on the recommendation of his friend, North End's Graham Shaw, 'Big Ron' joined Preston in February 1991 for £80, 000 from Port Vale.

The purchase of this virtually "unknown" centre-forward caused quite a stir amongst the North End faithful. Weighing in at 13½ stone and standing 6 foot 1 inch with a couple of tattoo's thrown in, 'Big Ron' certainly fitted the bill of a fearsome centre-forward.

Providing the perfect foil for the lightweight Shaw, the two lads from the Potteries soon hit it off together, no more so than in Ronnies Deepdale debut, in the Leyland Daf Northern Area Semi-final against Burnley, in front of an exited crowd of over 12,000.

Burnley fans, known for leaving the ground early, need not have bothered turning up for this one as a Jepson hat-trick coupled with a Graham Shaw goal gave North End a 4-0 half-time lead. The Burnley fans who remained after the break saw PNE add another couple of goals, including a Lee Ashcroft solo effort.

Jepson could not have wished for a better start to his Deepdale career. Although North End did not do themselves justice in the away leg of the Northern Area final against Tranmere, a single strike from Ronnie in the second leg was some consolation.

Surprisingly skillful on the floor for a big fellow, 'Big Ron's' weakness to dominate the aerial battles led to the fans frustrations, but good strikers usually work in pairs and Shaw's tally of 15 goals in their first season together proves a point. The next season followed suit again as Shaw finished top scorer with 14 goals.

Unfortunately PNE as a team struggled in both Jepson's seasons at Deepdale finishing 17th on each occasion, but Ronnie suffered injuries in both seasons.

Jepson's record of just 8 goals in 38 league appearances prior to the start of the 1992-1993 season wasn't proving popular amongst some of the Preston fans, so when Alan Ball Jnr. came in with a surprise £60,000 offer just before the league programme commenced, manager Les Chapman decided to cut his losses and Ronnie was on his way down South to Exeter City.

Ronnie found his scoring touch in Devon, scoring 21 goals in 54 appearances for Exeter, away from the infamous plastic pitch. 'Big Ron' is now doing the business in the new Alfred McAlpine stadium, home of Huddersfield Town who are riding high at the top of Division Two.

PAPER TALK

By Brian Ellis

The milk of human kindness has never flowed too freely from the terraces towards match officials. But, in today's multi-camera society, being a ref or a linesman isn't something you woul wish even on a Blackpool fan.
Once you needed eyes in the back of your head...now even two pairs would be pathetically primitive in comparison to T.V.
The all-seeing zoom lens is making a monkey of the men in black or forest green. The slow motion replay is the fastest road to anarchy that football has ever driven down. Show refs and flagmen up to be the short-sighted, bumbling buffons that we all know they are and sportsmanship is all but dead.
Yet, while TV continues to massacre the good name of officials, football itself still adopts a Luddite approach to the technology which could rescue their tarnished reputations.
No, they cant't have instant playback monitors on the side of the pitch. Neither can they have a second ref, like cricket's third umpire, up in the stand watching the pictures.
And the FA even refuses to use video evidence to overrule their worst decisions, unless a referee is prepared to eat humble pie and admit public he dropped an almighty clanger.
Take Mr Gerald Ashby, who on Sunday single-handedly robbed Blackburn Rovers of what appeared a certain victory over champions

Manchester United, out came the red card for Henning Berg after he tumbled over in the box with Lee Sharpe and in went the penalty from Eric Cantona which launched United on the path to a 4-2 win.
Now had Mr Ashby been able to halt play, toddle over to the tunnel, have a quick look at what the rest of us were able to see over and over again, he might well have changed his mind. No penalty and no sending off. Rovers would have gone in at half-time leading 1-0 and would have had 11 men instead of 10 for the last 45 minutes. United might still have won-and pigs might have flown past the top of the Jack Walker Stand. Now trial by video is available for Berg in an appeal against an automatic three-match ban, But not not in front of an FA disiplinary hearing.
Berg, like any player aggreived at a red card, must hope that the referee has a sudden, overwhelming feeling of guilt as he travels back down the M6, decides to watch the video and then informs the FA: "Sorry, I was wrong".
The Berg case this week has highlighted how fallible referees are just like the rest of us. To err is human, but so too is to turn on the telly and check if you got it all wrong.
Mr Ashby couldn't at the time and didn't until all the fuss had blown up in his face. By then the damage was already done.
Some pundits are now calling for refs to be made accountable, severely punished if they cock things up. But that dosen't alter the fact... they still only have one pair of eyes!
Give them the same mutli-angle view as the rest of us and then maybe, just maybe, they'll get it right.
Of course, that might be good news for the game.
But, if they never make any more mistakes, what will we all talk about down the pub.

Football wins the Pools every Saturday

Every time you enter Littlewoods, Vernons and Zetters Pools or Littlewoods Spot the Ball you are helping the game at all levels. The Football Trust administers funds from the Pools, helping clubs to improve safety and comfort.

The Trust receives some £37 million every year, all of it coming directly or indirectly from Littlewoods, Vernons and Zetters Pools and Littlewoods Spot the Ball.

Football also receives £8 million a year for the use of fixtures on coupons and Littlewoods, the game's biggest benefactor, is the first sponsor of the FA Cup.

Up and down the country, clubs are building new grounds, stands, seating and roofing. All depend on the support of the Football Trust and on the success of the football pools.

EMERGENCY EVACUATION PROCEDURES

In the event of an emergency at Deepdale requiring evacuation of the ground in part or whole, spectators are requested to remain where they are and listen for announcements over the public address system.

ALL EMERGENCY ANNOUNCEMENTS WILL BE PRECEDED WITH A CHIME.

The announcements may direct spectators in a specified area of the ground and require evacuation through exit gates to the outside of the ground or through perimeter exit gates onto the pitch.

Club Stewards and Police Officers will assist in directing and assisting spectators to the safest locations.

If requested to vacate a specified area of the ground spectators should do so ass calmly and quickly as they can to assist in a safe and speedy evacuation.

Spectators who arrive at the ground by private transport should not park in front of any entrance or exit gate and follow the directions given by car park attendants in allowing an access corridor for emergency vehicles. In addition spectators are requested not to try and move their vehicles from the Club car park in an emergency as this is likely to hinder the access of emergency vehicles and contribute to congestion outside the ground.

Your assistance in this matter is greatly appreciated.

BYGONE DAYS

with Mike Payne

Five Years Ago:
1989-90

On October 28th 1989 Preston suffered a heavy defeat at Deepdale against Bolton Wanderers. The villain of the piece was our ex-player Tony Philliskirk who scored two goals on his return to the ground. The game was a thriller where the breaks went the way of the visitors. Philliskirk took just 75 seconds to score his first and then Steve Thompson made it 2-0 after six minutes. North End then fought back and launched a series of raids on the Bolton goal. The ball just would not go in with David Felgate having a blinder in goal. To make it more annoying Julian Darby made it 3-0 with eleven minutes to go and although Pat Scully pulled a goal back it was Philliskirk who had the last word with a fourth for Bolton.
Exeter were also playing on that day five years ago, at Stockport. They lost 2-1 with their goal coming from Richard Young.

Ten Years Ago:
1984-5

North End lost 2-0 at Bournemouth on October 27th 1984. At the time they were in the middle of a disastrous run and after this latest defeat the warning lights were flashing. Former Blackpool player Billy Rafferty scored a goal in each half and the only reply came from a couple of speculative long range shots from Graham Houston. Goalkeeper Peter Litchfield had a busy game but made some good saves. The best of which came three minutes from the end when he saved a Robbie Savage penalty after Geoff Twentyman had committed a foul. As it happened it hardly mattered. On the same day Exeter were drawing at home to Darlington 1-1 with their goal being scored by Steve Neville.

Twenty Years Ago:
1974-5

The corresponding October fixture of 1974 fell on the 26th when Preston beat Grimsby 2-0 here. More importantly the two points kept them on the top of the Third Division.
The visitors were a well organised outfit and for long spells in the first half they were on top. The deadlock was finally broken by No End in the 67th minute. Alan Lamb went down following a melee in the goalmouth and the referee had no hesitation in pointing to the penalty spot. Grimsby argued but Bobby Charlton remained cool and slammed home the kick. After that Preston gained control and the win was secured when Tony Morley scored a fine goal ten minutes from the end. He wriggled past two defenders before hitting a great shot past the keeper. Exeter were also in action and they beat Chester at home by 1-0. Their goal hero was Keith Bowker.

David Lucas another 1st year YTS player made his Pontins League bow for the club but alas it was not to be a winning start for the young goalkeeper. North Ends new recruit left back Raymond Sharp signed from Dunfermline for £80,000 was due to have played but the Scottish Under-21 International was said to have slight thigh strain and did not play.
York City's Campbell scored the only goal of the game in the first half to give 'The Minstermen' the points and leave North End at the wrong end of the table but at this point in time we should remember we have played six games away from home and only one at Deepdale.

Raymond Sharp did get into the action tonight together with our other new £80,000 signing Greame Atkinson from Hull City, there was further interest in the Preston side with two more trialists being selected, right full back Stuart Myall from Brighton and Torquay United striker Duane Darby. Fourteen scouts were due at Deepdale for the match from clubs as far and wide as Carlisle to Charlton. It had been a fine sunny Autumn day and it was ideal for football as two strong sides lined up on a perfect playing surface.
North End made a disastrous start in front of a big enthusiastic crowd. 'Keeper John Vaughan received a backpass from Richard Lucas and played the ball with his feet before picking it up, he was penalised by the eagle-eyed ref and Phil Gee had the ball in the North End net in a flash. Leicester demonstrated why they are well placed in the table as Gee brought Vaughan into action with a fine save, the match was keenly contested , a poor offside decision thwarted Trebble as he attempted to go through on the visitors goal.
In the last third of the half Preston hit a rich of form with Cartwright spraying some brilliant defence splitting passes from midfield. The equaliser came when Holmes found Raynor on the right, the winger sent in a first time ball and there was Trebble to hammer it home. In the very next attack he almost put North End in front after the two new boys Sharp and Atkinson had linked well down the left to set him up but his header went agonisingly over the bar, the players left the field at half-time to a generous round of applause from an appreciative crowd.
With the bit now firmly between their teeth Preston continued on the attack, Holmes shot over and Cartwright had a full blooded drive blocked as North End went for the winner and it came as Trebble got his double, Vaughan redeemed himself releasing a long clearance into the Leicester half, in went the tall striker foraging forward shaking off a couple of defenders to gain possession then firing past Gavin Ward to put Preston in front.
Leicester gave us a few reminders from time to time with some slick build up play, they brought on Preston born Steve Walsh after 70 minutes but to their credit the home side dealt with them easily enough, it would be unfair to single anyone out after this good all round display. I must say though that the new boys had shown up well, it was a wonderful atmosphere inside Deepdale, with just the Pavilion side of the ground open the players gave us all the entertainment we desired on the park on another 'Family Night' with not a murmur of music to be heard anywhere, the cheers at the final whistle said it all.

PORT VALE
RESERVES.....1
Heald. Att - 1,126.

With the first team having a very poor run of late North End fielded nine players who have turned out for the Endsleigh League side this season, Dean Emerson a trialist from Stockport County took up a midfield position with central defender Steve Holmes as ever present this season making up the eleven that started the match. Crowd favourite Mickey Norbury who played a full 'A' team game on Saturday was on the bench hoping to get into the action on his comeback trail. Brendon Burke a player who has played as a trialist in the North End Reserve side in the past is now on trial at Port Vale and he lined up in the visitors side.
Preston did all the early attacking as you might expect and two early chances fell to Fleming. He sent a glancing header just wide and another effort struck a defender only to cannon off him for a fruitless corner. Gareth Ainsworth playing as Michael Conroys' strike partner was the liveliest looking player. Having the beating of the Vale defenders he rounded Kevin Kent only for the Vale man to drag him down inside the box, Conroy another striker striving for match fitness after injury stepped up to hammer the spot kick high into 'The Valiants' net.
North End continued to attack as Fleming, Holmes and Conroy all went close to increasing the score. Vale had been under intense pressure

for the first half hour and had rarely troubled the home defence yet Preston could not add to their slender lead. The game had underlined the clubs failings this season all the play and little to show for it. In the few minutes before the interval 'keeper Barry Richardson twice saved well to keep his team in front doing well to tip an Oliver Heald shot round a post and diving full length to stop Jeffers goalbound shot. Gareth Ainsworth who had received a bad knock needed treatment, the popular player was left limping badly and was replaced by Mickey Norbury.

Vale made a substitution for the second half Richard Eyre replaced Craig Lawton who had a torrid first 45 minutes against Prestons' wide men.
As the match progressed Port Vale came more into the game but Fleming got himself booked for a foul as frustration crept into North Ends play. Norbury was out of luck on the hour heading over from Greame Atkinsons' perfect cross.

Once again we paid the price for squandering all those early chances Brendon Burke put Heald in the clear and from the left hand side of the box he shot firmly past Richardson into the far corner to level things up, all that dominance in the early stages and we were only level, the game was now a different kettle of fish with the men from the Potteries much more prominent. Sharp went into the referees notebook for a two footed tackle yet Fleming could have won the match in the closing minutes when his centre-cum shot hit the angle of the upright and crossbar with Van Heusden beaten but at the end of the night we had to settle for a disappointing draw.

PRESTON NORTH END RESERVES - Richardson, Fensome Sharp, Cartwright, Holmes, Moyes, (42 mins), Brooks, Lucas (D) (GK).

PORT VALE RESERVES - Van Heusden, Talbot, Lawton, Heald, Griffiths, Morris, Corden, Kent, Burke (B), Birke (M), Jeffers - Sub - Eyre for Lawton (45 mins), Patrick for Griffiths (73 mins), Boswell (GK).

PNE YOUTH

The Youths Season in the Lancs. Lge. Div. 2 so far has brought a reasonable start lying in a handy 6th position after the first game in October (At home to visitors Liverpool Youths), since which they have built up a 100% home record with another victory, Bolton Wanderers Youths (2.0) being sent home pointless (8/Oct/94) - That makes four straight wins at our temporary home - Banks Lane, Warton, Nr. Blackpool.

The ground at Banks Lane kindly loaned by B.A.C. Warton to North End is not really an ideal set-up for our professional youths - very open to the elements, the vast tract of land containing the Warton runway lies on the bank of the River Ribble - This is fenced off down one side of the pitch - the rest being surrounded by the vast green land containing rugby & cricket pitches. At the entrance to the ground stands a pavilion/changing rooms. A short walk from the pitch itself which is similar to a park pitch - certainly not in the same league as Deepdale's New Surface! From the spectator's point of view there is no cover in bad weather unless everybody could squeeze into the too small 'dug outs' - but wait for it! How many teams can boost a sit-down cafe - The pavilion has an area with a tea bar, chairs and tables, telephone and toilets - Parents of 1st year Y.T.S. player Paul McKenna have opened it up on match-days to raise some money for badly needed kit for the Youth Team - They provide tea/coffee at reasonable prices, as a matter of fact - if anybody fancies it they could get to the game early, have a fried egg/bacon barm cake for their breakfast and after the game - have a sausage barm cake for dinner, followed up with a 'Kit Kat' for their sweet. With a good game of football in-between - what more does a man/woman want on a Saturday morning? - Don't answer that! Beats going shopping. Many thanks Mr. & Mrs. McKenna and helpers.

Steve Carroll sent the report in for the programme. It is for the first of the two consecutive home fixtures in October - our 9th game of the season. Thanks Steve:-

P.N.E. v Liverpool 'B'

Sat. 1st Oct. at B.A.C. Sports Ground, Warton.

Liverpool kicked off in what can only be described as 'foul' conditions, in the first move by the visitors a long range shot tested the young keeper Spencer Harrison in the North End goals, a good clean catch! From his clearance the home side started the first of many attacks.

In the early stages it was all North End, on 15 minutes a great move by Stuart Bingham who weaved his way through the Liverpool defence, his shot was only parried to Kevin Kilbane who beat the keeper with ease, all the credit to the young No. 9 for North End.

At this stage of the game the home side grew in confidence with over age players Steve Holmes and Richard Lucas showing the Y.T.S. players how to use the ball without much effort.

In the 20th minute Liverpool were awarded what can only be described as a bizarre penalty, awarded by referee Stevenson when two North End defenders went for the same ball and a red-shirted player went down in a heap, the penalty was converted 1-1 against the run of play, next attack Steve Holmes headed North End kids second goal. The home side went up a gear and were awarded a penalty when the keeper brought down Stuart Bingham in full flight, but to most peoples amazement, only a yellow card for the visitors' keeper. Chris Borwick took the kick placing the ball to the right of the keeper who made what looked to be an easy save. The linesman on the nearside indicated to the referee that the keeper had moved, re-taken promptly by 'Boz' in to the top left hand corner of the net. Within two minutes another penalty for North End which Chris Borwick crashed once again past the helpless Liverpool keeper making the half-time score 4-1 to North End.

The second half saw the appearance of Colin Potts (the son of former North Ender Eric Potts) who took up a wide right position, Paul McKenna picked up a slight knock during the first half. In only the second minute of this period Liverpool scored a second from a cross from a free-kick quickly taken by the visitors no.11.

North End went down in the visitors' half and forced a corner taken by Kevin Kilbane, a wicked corner which everybody missed except 'Tiny' Calligan who blasted it past the stranded keeper. 5-2 th North End.

On 75 minutes, a bit of a clumsy tackle (one of those the referee don't like) by Kevin Kilbane - out came the red card, North End down to ten men!

Once again North End, the home side, gave away a free-kick and Liverpool made it 5-3. With quarter of an hour left young stand-in keeper for North End made quite a breathtaking save which resulted in a Liverpool corner, at this stage North End were under pressure from the full team of Liverpool who scored late on to make the final score 5-4 to North End.

The referee Mr. I. Stevenson from Nelson left a lot to be desired with his handling of the game. He did not take into account the atrocious weather conditions.

The Preston team was as follows:- Spencer Harrison, Paul McMenemy, Gil Brooks, Paul McKenna, Steve Holmes, Damian Corcoran, Chris Borwick, Richard Lucas, Stuart Bingham, John Calligan, Kevin Kilbane.

Subs:- Kyle Hayton (not used) Colin Potts for Paul McKenna, Steve Carroll.

John "Tiny" Calligan

SCHOOL FOOTBALL

Preston Schools FA English Schools Trophy

The under 15 squad is showing great promise albeit without achieving favourable results. Much good football is being played but not for the full match and as happens at this high level of inter association football a heavy price is being paid for the squandering of early goal scoring opportunities and short lapses in concentration.

Against Hyndburn in the English Schools Trophy a barrage of opportunity was missed and a late penalty, concede unnecessarily, meant a 2-3 exit from the the national competition. Preston now go into the Alder Trophy competed for by associations eliminated from the first three rounds of the national competition in the north west. In friendlies against Sefton and Bury, Preston again lost in the closing stages; 1-2 against the former and 2-5 against the latter, after leading 2-1 with 10 minutes to go.

The squad is:

Michael Hills, Chris Butler, Michael Donelly, Chris Drazek, David Burns, Paul Mein, David Benn (Our Lady's); Tom Ellis, Andrew Taylor, Michael Swarbrick, Wayne Fitzpatrick (Broughton), Shaun Hanley, Sean Tierney, David O'Rourke, Scott Moody (Corpus Christi), Ben Bradley (Fulwood), Steven Boardman (Ashton-on-Ribble) and Paddy Connolly (St Cecelia's).

Regional Match

Paddy Connelly must be congratulated for his sparkling two goals for the North West against the Midlands at Gresty Rd. Crewe. His entry to the arena occurred as the Midlands scored their third goal without reply, but his equaliser and winner late in the game made an impact on the game.

Under 14's

The first few matches for the Under 14's suggest they may become a more than useful side. A 4-0 destruction of Kirkby/Knowsley and a creditable 1-1 draw against Sefton have prepared them well for a double upgrade against an always strong Liverpool side during half term and a first round Woodward Cup match against Salford.

They are a side which loves to attack, although leaving themselves at times vulnerable at the back. A quite confidence permeates the team and much is expected of them.

Jonathon Greenwood (Our Lady's is temporarily unavailable due to a broken wrist suffered against Sefton.

Under 13's

For the first time in the Association's history a third junior representative team will turn out for Preston this year with the formation of an Under 13 squad run by Mr M. McCarthy (Moorbrook)

After extensive trial and coaching sessions the following will constitute his squad: Joseph Baruwa, James Orrell, Wayne Thomas (Corpus Christi); Stephen Wareing (Our Lady's); Steven Davies (Ribbleton Hall); Simon Stevens (Moor Park); David Schofield (St. Cecelia's); Mark Bateson, Chris Howarth, Andrew Byrne, David Roberts, Glen Oates (Broughton; Phil Kain, Stephen Green (Fulwood); Matthew Hind and Neil Riley (Longridge).

Under 19's

Two goals by Tommy Taylor and John Kennedy put Preston College into the next round of the Lancashire section of the English Schools FA Under 19 Cup.

Preston are currently running three elevens on Wednesday afternoons with over 50 budding stars attending Tuesday nights training on their new astroturf pitch at St. Vincent's Road.

Between them the three teams have recorded twelve wins out of thirteen fixtures and Stuart Drummond, Joe Alder, Greg Fernie, Marvin Dickinson, John Kennedy and Matthew Ogden are in the present Lancashire S.F.A. squad.

They will combine with Cardinal Newman College to form a Preston S.F.A. Under 19 team to compete in the Divisional Cafferty Cup with games against Bolton and Lancaster and Morecambe.

Guild Club

An introductory evening was held in October for the new squads of the Association by kind permission of P.N.E.F.C.

Chris Sulley and Geoff McDougle met the officials and teams and the highlight of the evening was the reunion of Harry Worswick and Leo Cafferty who represented Preston Schools an St. Ignatius Central in 1923-24. Neither had seen each other since leaving school seventy years ago.

Nostalgia Evening

Tickets are going fast for this event at St. Joseph's Club, Cemetery Rd. on Monday 5th December, priced £5. Anyone who wants to attend should contact Dick Clegg immediately on Preston 728164.

NORTH END ON TOUR

On Thursday the 8th of May 1958 Preston North End, who had just ended the season as First Division runners-up to Wolves, set off from London Airport for a four week tour of South Africa. The opening game of the tour was played on Sunday 11th May at the Scrivener stadium in Kitwe against a Northern Rhodesian X1. One of the local match reports stated that the Rhodesian team put up an heroic display and did well to hold the famous visitors to a 5-0 scoreline!
The game itself got off to a flyer by way of Northern Rhodesia forcing North End's goalkeeper Fred Else to dive full length to beat out a shot from Meeser. Getting over this early scare North End ventured into Rhodesias half of the pitch and scored in their very first attack.Taylor & Baxter helped set up HATSELL who beat Adsetts with a snap shot from a narrow angle. Three minutes later the same three players were involved with Noth End's second goal, again scored by centre forward HATSELL. The goalkeeper than had to be alert in tipping over a stinger from Thompson and his luck was in soon afterwards when he saw Hatsell's header strike the upright. The hosts, playing in blue & gold had no answer to the tourists' quick short passing game which they used to some aplomb. Twenty five minutes after half time North End's class once again told as they hit their hosts with a quick one-two. Sammy Taylor crossed to BAXTER who brought the ball under control instantly before grazing the underside of the crossbar with a crisp rising drive. Just two minutes later, with the Rhodesian defenders appealing for offside, Tommy THOMPSON the PNE captain, calmly drew the goalkeeper and slotted home the fourth goal. This double blow virtually knocked the stuffing out of the hosts as North End slipped into top gear, going close on at least three more occasions.
A fifth goal just had to come, and it did close to the end when Derek MAYERS dribbled into the penalty area, rounded the goalkeeper and tapped into the empty net.
North End's ball control was a main factor in this 5-0 win over the amateurs with Taylor apparently giving a splendid display on the left-wing. The Rhodesians just could not cope with the bewildering short passing game which Hatsell, Baxter & Thompson executed with great skill before the 12,000 fans.
Due to World Cup commitments both Tom Finney and Tommy Docherty were absent from this nine-game tour. Other games from this successful tour will be covered in future league programmes.

Facilities
Covered standing and seating will be available at £8.19 and concessions of £4.50 for OAP and junior supporters.
It is hoped the family stand will be open where £10 sees 1 adult and 1 junior seated with £4 for each additional junior. The facilities at Gigg Lane have been dramatically improved in recent years.

Summary
Our preliminary game with Chester City saw 1-1 draw before 3242 supporters. Chester have since beaten Bury 3-1 in front of less than 1000 fans, so its all to play for at Gigg Lane with North End, dare we say, 'Only needing a draw'.
Our previous visits to Gigg Lane this season versus Stockport in the Coca Cola Cup saw 1600 North End supporters in an attendance of 2385 with our league visit to Bury seeing 1595 North Enders present, don't be surprised to see an overall attendance of less than that on the night, although as ever Preston will be well represented.

Finally
It would be wrong not to again put on record thanks from the club to all supporters at recent games Hartlepool, Colechester and even Blackpool, (twice last week), in the Lancs Youth Cup, and Pontins League. Preston North End's true supporters were a credit to the club.
